

Member Referral Form

As a Member Model it's likely that you know someone who, like yourself, would be a good candidate for acceptance into the John Donavon Model Registry. It could be a cousin or a friend, a brother or a sister or perhaps someone you met at work or at a club. If you're a parent with a child on our Registry, you probably have friends or acquaintances with children. The sources for good looks and potential models are endless.

If you know someone who you believe may have potential as a model, we encourage you to tell them about John Donavon. By doing so, you will be helping us grow our network of models. And as our Registry grows, it attracts more attention from clients and agencies... which in turn increases your exposure and improves your chances of being discovered and getting work. So as you can see, your referrals contribute to a cycle that benefits everyone involved.

And to show you our appreciation for taking the time to refer others to us, we want to say **"Thanks"** by rewarding you with a **10% reduction** in the cost of your initial Representation Plan for **every** person you refer to us who in turn purchases one of our Representation Plans.

THAT'S RIGHT--- 10% OFF THE COST OF YOUR PLAN FOR EACH PAID REFERRAL!!!!

As you can see, our Model Referral Program is an excellent way for you to defray all or part of the cost of your initial Representation Plan. With just a small investment of your time it's possible for you to be reimbursed for the entire cost of your Plan by simply referring a small number of potential models to us!

So what are you waiting for?

To get started and take advantage of this fantastic offer, just follow these simple steps:

1. Download a printable PDF copy of the [Model Referral Form](#)
2. Complete one copy of the form for **each** person that you refer.
3. Fax or mail your completed forms to Donavon Modeling.
4. If, during the term of your initial Representation Plan, the person that you refer purchases a Representation Plan, we will send you a refund check for an amount equal to 10% of the cost you paid for your initial Representation Plan (10% for each paid referral you submit).
5. We will track your referrals based on the completed [Model Referral Forms](#) we receive from you and pay any refunds due you on a quarterly basis, up to and including that point at which your initial Representation Plan is fully reimbursed.
